Township Collective is a 7-acre mixed-use community at the heart of Township, surrounded by conveniently located retail amenities and connected by pedestrian-friendly walkways, public gathering spaces, and vibrant plaza areas. The community is currently home to The Streams and The Flats, with The Range and The Pines representing the next phase of development. Upon completion, Township Collective will offer more than 600 purpose-built rental homes, including studio, one-bedroom, two-bedroom, and three-bedroom residences.

Township Collective is a place where people come together to create a home and support one another in growing and thriving. We believe that a community is only as strong as the people who live within it, which is why we offer a diverse range of housing options to accommodate different lifestyles, life stages, and needs. Diversity is at the heart of our community, and we proudly embrace the cultures, languages, backgrounds, and perspectives that our residents bring. Together, these connections help create a welcoming, inclusive, and vibrant place to call home.
